Hello,

I just wanted to follow up on our discussion regarding the usage of the courthouse parking.

I spoke with Erika and she clarified that after the board approves the motion regarding the usage of the parking lot that the letter must include language that we will provide the security. My recommendation is that we only use it when we need it and keep the keys.

Regarding the fencing, she confirmed that they will fence THE BUILDING, but that the parking lot will remain open.

As you know, Public Works and Erika will both be at our meeting next week.

Kind regards,
